

Polar Kreate

Quick Sheet

Solid Cross Wall
Partitioning

Think partitioning.
Think Komfort.

Polar Kreate is the ultimate solid cross wall solution to compliment the glazed Polar suite office frontages, engineered to accommodate individual requirements and future change. Offering visual and acoustic privacy between spaces, the system encourages flexibility in design through diverse panel options, impressive materials and unlimited application possibilities. Designers are increasingly wanting to create spaces that can accommodate a variety of work styles through adaptable design.

Panel modules are interchangeable from a range of materials to complement the design of any interior. The hung panel design with recessed head and base creates a true floating panel effect with no visible framing on solid elements. From powder coated steel panels, to veneers, fabrics and even living walls.

Overview

Maximum Screen Height	3000mm
Maximum Module Width	1150mm*
Head Adjustment	+/-10mm
Base Adjustment	+/-15mm
Wall Adjustment	+/-20mm
Acoustic Performance	Up to 45dB (R_w)*
Structural Performance	Severe
Fire Performance	None

* Depending on configuration & specification
